NOTE: CONTRACT RENEWED FOR ONE ADDITIONAL YEAR; NEW ADDRESS.

This Statewide Contract is an "AR" (Authorization Required) contract. Authorization is required before purchase can be made. The Authorization requirements and procedure is detailed in the attachment to the contract. Order may be placed only after Authorization is received. This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Authorization Required: DAS/ITS (Department of Administrative Services, Division of Information Technology Services) administers purchases from this contract. State agencies (Executive branch) must coordinate their purchase through DAS/ITS, and may not purchase directly with Dwyer's. DAS/ITS will charge state agencies based on a universal surcharge rate plan. State agencies may contact Doug Chandler at (801) 538-9546 or Floyd Ritter at (801) 538-3316 to coordinate their purchase.
